Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 07/21/2005 has been entered.

3. Authorization for this examiner's amendment was given in a telephone interview with Mr. Geza Ziegler, Jr. (Reg. No. 44,004) on October 17, 2005.

4. The application has been amended as follows:

In Claim 3:

“a container 1, as the container 1” (line 6) has been changed to: --a container, as the container--;

“handover position” (line 7) has been changed to: --accumulation conveyor--.

Claim 7 has been cancelled.

In Claim 8:

“the end-zone” (line 2) has been changed to: --an end-zone--;

“the front edge” (line 3) has been changed to: --a front edge--.

In Claim 9:

“of motion” (line 2) has been deleted.

REASONS FOR ALLOWANCE

5. The following is an examiner’s statement of reasons for allowance:

The prior art of record fail to disclose and/or teach a machine for feeding containers to be processed by a processing unit that comprises in combination: an accumulation conveyor located upstream of the processing unit, a feeder conveyor which feeds containers to the accumulation conveyor, a first sensor adjacent the feeder conveyor for detecting a container, and a control unit; wherein the accumulation conveyor and the feeder conveyor are separately driven respectively by a first motor and a second motor, and wherein the control unit controls the first motor such that a desired gap is created between two adjacent containers on the accumulation conveyor, and such that the speed of the accumulation conveyor and of the feeder conveyor are equal during at least a partial handing over of the container from the feeder conveyor to the accumulation conveyor.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
